

HARD SURFACE CLEANER

A powerful, water-based cleaner and degreaser for all types of hard surface that requires grime and dirt removal. Ideal for use on large surface areas such as sealed warehouse floors and building exteriors. Safe for use on most plastics, painted and enamelled surfaces.

FEATURES

- Will quickly remove various types of soiling and contamination
- The product has been formulated for use in a dilution with water
- Safe on all metal surfaces, does not stain
- Safe on most rubbers, plastics and coatings. Test on sensitive or stressed materials before use
- Can be used cold or hot

APPLICATIONS

- Suitable for all types of industrial flooring
- Can be used on walls

DIRECTIONS

- Extremely versatile, the product may be applied manually with a brush, by scrubbing, through agitation, soaking and immersion
- Very suitable for the use in ultrasonic cleaners and other automated equipment
- Delivers excellent results when used in spray washers, lance sprayers and cleaning baths
- Recommended dilution ratio: 1:6 to 1:40
- Allow to dry at room temperature
